Question **1**

Correct

1.00 points out of 1.00

In order to be successful in this class, your instructor recommends you check your HFC Hawkmail email account and the Moodle course web site at least several times a week as well as set aside regular time each week to work on the coursework.

Select one:

- ☒ True ✓
- ☐ False

Question **2**

Correct

1.00 points out of 1.00

It is permissible to have general discussions on computing, assignments, programming, or development techniques with classmates. Interaction among students is encouraged. The majority of an assignment, however, is to be completed individually, i.e. not the submission of someone else's work.

Select one:

- ☒ True ✓
- ☐ False

Question **3**

Correct

1.00 points out of 1.00

For every web development homework and program you create, the following two things must be submitted in order for the assignment to be graded:

Select one:

- ☐ a. A short paper describing the purpose of the web page AND a wireframe design of the web page
- ☒ b. The publically viewable web address to the program on our cislinux server AND any .html .css .js and .php files related to the homework and programs uploaded to the Moodle web site ✓
- ☐ c. A short paper describing the purpose of the web page AND the publically viewable web address to the program on our cislinux server
- ☐ d. The publically viewable web address to the program on our cislinux server AND A wireframe design of the web page

Question **4**

Correct

1.00 points out of 1.00

Which of the following statements is true?

Select one:

- ☐ a. It is not recommended that you check our Moodle web site for feedback and the grade on your homework and exams
- ☒ b. Feedback and a grade for homework and exams will be promptly posted in the Moodle web site and is strongly recommended students regularly view this and ask the instructor if they have any questions. ✓
- ☐ c. Feedback and a grade on homework and exams will not be posted in our Moodle web site
- ☐ d. None of the above are true

Question **5**

Correct

1.00 points out of 1.00

If you're having any trouble or challenges, please do not hesitate to contact your instructor immediately for assistance.

Select one:

- ☒ True ✓
- ☐ False

Question **6**

Correct

1.00 points out of 1.00
